

**KIMBERLEY PROCESS ANNUAL REPORT
WORLD DIAMOND COUNCIL
2018**

In the framework of the peer review system of the KPCS, Participants are required to make an annual report on their implementation of the Kimberley Process Certification Scheme (KPCS) during the previous year.

The World Diamond Council (WDC) has agreed, on a voluntary basis to submit an annual report on its KPCS implementation and support to the KP as stated in its mandate and mission statement. The WDC 2018 Annual Report is submitted to the KP Chair and the Chair of the Working Group on Monitoring.

Institutional Framework of the World Diamond Council (WDC)

The purpose and objective of the WDC is to represent the diamond industry in the development and implementation of regulatory and voluntary systems to control the trade in diamonds embargoed by the United Nations or covered by the KPCS. The WDC assists the KP by providing administrative, technical, financial and other support services in its observer status on all Working Groups, ad hoc committees and participates in Review Visits and Missions. The WDC serves as the Chair of the Working Group on Diamond Experts (WGDE) and as the Chair of its Sub-Group on Valuation. The WDC hosts the Administrative Support Mechanism (ASM) and maintains the Kimberley Process web site.

Contact details/Contact persons of the WDC as regard the KP
